

# Food Ingredients and Pharmaceutical Excipients

**Tennants Distribution Ltd** is a leading independent distributor of chemicals based in the UK where we have a network of strategically located depots offering a nationwide delivery service.

We have traditionally dealt in various food and pharmacopeia grade products including powder products, mineral oils, petroleum jellies, glycerine and solvents.

The aim of our new division is to greatly expand this range to encompass vitamins, sweeteners, preservatives and bulking agents. Please see overleaf for the full product listing.

We have invested in the warehousing facilities at our Manchester site and they were recently awarded grade A under the BRC Standard for storage of ambient food chemicals and ingredients.

This has included

- BRC certified warehousing.
- Food safe wall panelling.
- Pharmaceutical standard pest control program.

We already have a large number of blue chip customers who manufacture food and pharmaceuticals and we have a wide range of experience in this field. We are always available for any queries which you may have and have a dedicated sourcing team within our office in Manchester.

Please feel free to contact us as below or contact your local area sales manager who will be happy to assist.

# Food Ingredients and Pharmaceutical Excipients Product Listing

Acacia Gum	Glycerine	Monosodium Glutamate	Sodium Nitrate
Acetic Acid	Glycine		Sodium Nitrite
Ascorbic Acid (Vitamin C)	Gypsum (Calcium Sulphate)	Nicotinamide (Vitamin B3)	Sodium Sulphite
			Sodium Tripolyphosphate
Benzoic Acid	Hydroxyethyl Cellulose	Petroleum Jelly	Sorbitol
		Polyethylene Glycol	Succinic Acid
Caffeine Powder	Isopropanol	Potassium Chloride	
Calcium Carbonate		Potassium Nitrate	Tartaric Acid
Calcium Chloride	Lactic Acid	Potassium Nitrite	Tetrapotassium Pyrophosphate
Calcium Propionate	Lactose	Potassium Sorbate	Tetrasodium Pyrophosphate
Castor Oil	Linseed Oil	Potato Starch	Thiamine Hydrochloride (Vitamin B1)
Cetyl Pyridinium Chloride		Propyl Parabens	
Citric Acid Anhydrous	Magnesium Stearate		Tocopherol Acetate (Vitamin E Acetate)
Citric Acid Monohydrate	Magnesium Sulphate	Quinine Sulphate	Tricalcium Phosphate
	Maize Starch		Tripotassium Phosphate
Dextrose	Manganese Sulphate	Saccharin	Trisodium Citrate
Dipotassium Phosphate	Magnesium Oxide	Salt	Trisodium Phosphate
Disodium Phosphate	Malic Acid	Sodium Benzoate	
	Menthol Crystals	Sodium Bicarbonate	Vinegar
Emulsifying Wax	Methyl Parabens	Sodium Carboxymethyl Cellulose	
Erythorbic Acid	Miconazole Nitrate	Sodium Erythorbate	White Mineral Oil
	Microcrystalline Cellulose	Sodium Gluconate	
Ferric Ammonium Citrate	Monopotassium Phosphate	Sodium Hexametaphosphate	Xanthan Gum
Fumaric Acid	Monopropylene Glycol	Sodium Metabisulphite	
	Monosodium Phosphate
