TENNANTS DISTRIBUTION LIMITED

is proud to represent the following companies in the UK and Ireland. For more information and Technical Assistance, please do not hesitate to contact us.

allnex is a leading producer of liquid coating resins and additives (LRA), performance resins & crosslinking resins.

Solvent-borne and Water-borne resins and additives:

Alkyds, Acrylics, Epoxies, HPOs, Sag Control Additives, Saturated Polyesters, Non Iso, Polyamide, Unsaturated Polyesters, Polyesters, PUDs Hybrids, CED & AED.

Trade names = Beckocure, Beckopox, Daotan, Duroftal, Duroxyn, Macrynal, Resydrol, Roskydal, Setal, Setalux, Setaqua, Setathane, Tungophen, Viacryl, Vialkyd, Viapal

Additives: Pigment dispersions, Flow and Leveling, Driers, Defoamers, Anti adhesion, Catalyst

Trade Names = Additol, Cycat, Modaflow, Multiflow

Cross Linkers: Acid Catalysts, Acrylamide, Aminos, Cyclized rubber, Phenolics & Phenolic Novolacs

Trade Names = Alnovol, Alpex, Cycat, Cymel, Cyrez, Phenodur, Setamine

Concentrol®
Chemical Solutions

A family-owned chemical company, divided into four key divisions: Performance Materials, Food Processing Aids, Additives and Adhesives

They have over 200 products within their portfolio, providing solutions for your additive needs in a wide range of applications including coatings, inks, adhesives, textiles, water treatment, construction.

Antifoams, Defoamers, Silicone & Wax Emulsions, Wetting Agents & Surfactants, Mineral Oil Emulsions, Waxes. Hot Melt Adhesives.

Trade Names = Emultrol, Ordisol

Bactericides, Fungicides and Algaecides for finished film and in can protection of liquid coatings, inks & powder coatings. Hygienic coatings.

Trade names = Grotan, Grotanol, Parmetol, Promex, Vinkocide

Founded in 1945, Icap Sira is a family-owned company who are committed to the production, development, and commercialisation of a wide range of speciality polymers for the coating, packaging and inks, textiles and nonwovens business sectors.

The chemistries cover water based acrylic, styrene acrylic, vinylic copolymers and PU dispersions, bio based PU's, thickeners and cross-linkers. Icap Sira also offer solvent based PU's for the textile industry.

Icap Sira offer a product development service to develop bespoke products to meet the customers needs.

Trade names = Acrilem, Acris, Acrythane, Cleancap, Icafinish, Icaplink, Icapsil, Idrocap & Idropur

Formerly known as Lucite International, Mitsubishi Chemical have many decades of experience in the acrylics industry.

Which has taught them that customers can use acrylic polymers in many widely differing application areas, each with its own niche defined by key performance attributes.

Key Divisions: Dental, Medical, Porous Moulds, Coatings, Inks, Adhesives, Glass Interleavants, Castings and Embedment's. UV Reactive Bead Acrylic.

Solution Acrylics for coatings and pressure sensitive adhesives.

Trade names = Colacryl, Elvacite, Lucite.

Part of the Mapei Group - Vinavil are a leading company in the Italian chemical industry offering a complete range of polyvinyl acetate, vinyl veova

and vinyl acetate ethylene copolymer emulsions, vinyl acrylic, styrene acrylic, pure acrylics, nanotechnology-based products and fully formulated adhesives for various industries.

Polyvinyl Acetate, Vinyl Acetate, Acrylics, VeoVa & Vinyl Acetate/Ethylene Copolymer for Coatings and Adhesives, Redispersible Powders for cement modification and tile adhesives.

Trade names = Vinavil, Crilat, Ravemul, Raviflex.
